

FFRINDIAU'R BYD SESSION 4 CYMORTH CRISTNOGOL

Learning Focus (Gwella Section 50)

- To develop opportunities to understand Christianity as a global faith in a variety of cultural contexts
- To start to understand and respect difference and diversity within the school community, local, national and global faith communities
- To start to understand the role of the Christian church at a local, national and international level, particularly the Church in Wales

Encounter

Christian Aid Cymru are a charity that support people all over the world. Their aims are to stand together; for dignity, for equality and for justice.

They believe that everyone is equal in the sight of God but we live in a world where there is still poverty.

"Poverty is unfair and it stops people leading a full life but if we work together we have the power to help."

For over 70 years, Christian Aid have been standing with the poorest of our neighbours. They work in 37 countries, with people of all faiths and none, to stand up for dignity, equality and justice.

They want to work with others to create a world where everyone can live a full life, free from poverty.

"Our voices and actions are stronger together. And with everyone's help, they can make an even bigger difference."

One of the ways that we can think about helping in a practical way is by looking after our world. The impact of what we do or don't do everyday can be felt by many people all over the world. By making small changes we can contribute to a big change for everyone.

We can also make our voice heard so that people who make important decisions in our community or country know what we are thinking and feeling.

Christian Aid can help us to think about and support others who may be affected by climate changes in an unfair way. We can also help them by raising money so that they can continue to help others.

Resources available on www.christianaid.org.uk

Christian Aid Week All-Age Resource

All age talk activities

This resource is 'all-age' and was produced for Christian Aid Week. It includes some interesting environmental activities such as tree planting, reflection over a glass of water, a Whatsapp sharing activity, and numerous other creative responses to the climate crisis.

School Strike for Climate

A video which simply explains global warming/climate change. The film explains the background issues, while the assembly plan offers an opportunity to explore the issues around climate justice within school, to acknowledge the power of our young people, and to listen seriously to their voices and let them know that they are heard and that adults are listening. https://youtu.be/yA_6XbabzVE

Assembly plan: [strike assembly 2020.pdf](#) (christianaid.org.uk)

School Assembly Resources

This part of the website includes ready-to-use school assemblies which bring global issues of poverty and injustice to life:

Other Primary school Resources

Fumes or futures

Letters for Creation

All links are available in the resources section of the Church in Wales "Ffrind yr Byd" page

Reflect

Prayer Resources

Pray without Ceasing. Prayer points and tips for creative ways to pray. This resource is climate focused. Some suggestions include 'take it outside' and 'news-led'
