Overview

2022

The following report illustrates that many of our congregations are emerging from the Covid-19 Pandemic with a vision for change – whether that be catching up with fabric repairs, initiating reordering schemes, making access improvements, or looking at options to get us closer to our net-zero-carbon commitment. Being good custodians of our built heritage is something that articulates our commitment and witness, as our buildings are so often at the heart of our communities and a very visible sign of God's presence amongst us.

That having been said the challenge of planning and financing repairs to churches remains enormous for local volunteer congregations. To support them, the Church in Wales has strengthened the staff team within the Representative Body and the Dioceses.

In 2022, Michael Plane was appointed to the role of Assistant Head of Property (Churches and Heritage) to give greater focus and support for ecclesiastical property work at the

Representative Body. Rachel Cutler was appointed as a third Closed Church Officer. The Closed Churches Team manage closed churches for the Representative Body. This includes assisting Ministry/Mission Areas and Dioceses through the closure process, helping to record these historic buildings and their contents prior to closure, and proactively seeking to find new uses for them, including working with the Friends of Friendless Churches.

Within the Dioceses, Ryan Marsh joined St Asaph Diocese as Diocesan Churches Inspector and Ceri Jones as DAC Secretary. Swansea and Brecon Diocese have appointed their own Diocesan Churches Inspector - Richard Hollocks; other Dioceses are following suit – utilising grant support offered by the Representative Body. The Church Inspector role is proving very important in helping Dioceses and Ministry/Mission Areas understand their buildings better and plan for the future more effectively.

The future of many of our historic churches is uncertain and this places great anxiety on local congregations and clergy. Sustaining our buildings in these times of rising costs and changing societal attitudes is difficult. But the Church in Wales is developing a positive vision of the future based on growth and is open, like never before, to new ideas and initiatives to support a positive future. The Representative Body and the Dioceses are looking at different solutions to preserve

and sustain church buildings at the heart of communities and these will take shape in the next few years.

Alex Glanville FRICS
Head of Property Services
The Representative Body
of the Church in Wales

St Asaph: List 'A' Applications 2022

Application No.	Church	Grade	Summary of Works	Created and Completed
2022-006896	St Mary, Treuddyn	II	Lychgate maintenance	11/01/2022

WHAT *and* WHO is the Cathedrals and Churches Commission?

The Cathedral and Churches Commission is an independent body within the Church in Wales. It has a wide remit (see below), although its principal role is to advise the Representative Body of the Church in Wales, Diocesan Chancellors and Diocesan Advisory Committees on works to cathedrals and nationally important listed churches. Its members are practising and retired professionals who have a wealth of experience with historic buildings,

architecture, building conservation, archaeology and art history. Its principle duties are to:

- Advise Diocesan Chancellors, Registrars or Diocesan Advisory Committees on faculty applications relating to a cathedrals and churches
- Advise any member or body of members within the Church in Wales on the care, conservation, maintenance, repair and development of a cathedral or church
- Monitor the operation of the faculty system including the operation of Diocesan Advisory Committees, faculty procedures and the Ecclesiastical Exemption process
- Advise the Representative Body on its built heritage
- Advise on the potential disposal of church treasures aided by professional consultants.

Cathedral and Churches Commission Members 2022:

Thomas Lloyd, OBE, MA, FSA	Chair and Architectural Historian
Bob Silvester, BA, PhD, FSA	Archaeology and Heritage Specialist
Julian Orbach, BA	Architectural Historian
Wyn Evans, DD, FRHistS, FSA	Bishop of St Davids Diocese (retired)
Peter Welford, BA, Dip. Cons., RCA	Art Historian and Historic Buildings Consultant
Judith Leigh, BA, Dip Arch Cons., IHBC, FSA	Conservation Adviser

Closures and Redundancies 2022

Once declared redundant, churches become the responsibility of the Representative Body rather than the local Ministry or Mission area. The Representative Body endeavours to find a suitable new use for the building by sale or lease. Closed church officers are employed to manage the buildings until disposal including health and safety issues.

The Representative Body makes an annual donation to the Friends of Friendless Churches alongside an annual grant from Welsh Government. This enables the Friends to receive important listed church buildings but the numbers of buildings they can receive is limited. We are currently exploring with them the potential for transfer of several redundant churches.

We also endeavour to work with community and heritage groups to lease closed churches for community purposes, although these schemes can take many years to come to fruition given legal and funding constraints.

Closed for Worship 2022
